Dear Preschool Families,

Welcome to Preschool at the Heights (P.A.T.H.)! Thank you for choosing our school to be a part of your child's early education experience. We value the trust that you place in our staff and our program as we seek to serve your child's needs. It is a pleasure and a privilege to help care for, enrich, and teach your child(ren) during such a special stage in their lives.

This handbook is published to help parents and guardians understand what to expect from our program. Please read the information thoroughly and use it as your first reference when questions arise. If further assistance is needed, feel free to contact me.

All of the teachers and staff at P.A.T.H. look forward to a wonderful school year. We continue to receive God's blessing for our program and are thankful for the wonderful partnership we have between you, the preschool families, the church families, and our community.

Blessings,
Michelle Brethauer
Director, P.A.T.H.

PURPOSE

The PURPOSE of P.A.T.H. is to provide an excellent community preschool program for children one year to four years (pre-K).

MISSION STATEMENT

The MISSION of P.A.T.H. is to promote a child's creative, emotional, intellectual, social, spiritual, and physical growth in a loving Christian environment.

It is our **BELIEF** and **GUIDING PRINCIPLE** that each child is: 1) A Child of God; 2) Unique and Special; and 3) Full of Potential.

SCHOOL PHILOSOPHY

P.A.T.H. is an educational outreach program of University Heights Methodist Church to the children and parents of the church and surrounding community. We are partners working toward a common goal of fulfilling each child's potential. We welcome children of all races, faiths, and nationalities. It is our goal to help each child develop a positive self-esteem, an eagerness for learning, an appropriate value system for social growth, and the ability to think and work independently. Our curriculum is based on developmentally appropriate learning experiences while focusing on all areas of a child's development (cognitive, social, emotional, physical and spiritual). We strive to create an atmosphere where children look forward to coming to school each day, developing a lifelong LOVE of learning!

GOALS:

- ◆ Provide a Christian atmosphere in each classroom that promotes respect and love for each other
- ◆ Provide a positive introduction to the educational environment
- ◆ Provide age appropriate experiences which foster creative, emotional, intellectual, social, spiritual, and physical growth in each child
- ◆ Instill positive self-esteem and feeling of self-worth in each child
- ◆ Provide for each child's physical well being
- ◆ Help develop self-discipline by learning to be responsible for one's own actions
- ◆ Help develop the ability to problem solve and make decisions through active involvement in the learning process
- ◆ Provide opportunities for social interaction with peers
- ◆ Provide opportunities for developing large and small motor skills and coordination
- ◆ Provide children with experiences that will encourage a lifelong love of learning
- ◆ Create a partnership with parents/families of each child in reaching our goals
- ◆ Create an environment where cultural differences are celebrated
- ◆ Accommodate individual needs within our curriculum
- ◆ Incorporate outdoor space in our curriculum

CHILDREN WHO NEED SPECIAL SERVICES

Every attempt will be made to accommodate a child who needs special services in our program. However, our program may not be able to best serve every child's needs. If it is determined that a child is having difficulty adjusting to school, is frustrated with the learning environment, is a disruption for the other children, or the health, safety and welfare of a special needs child or other children are at risk, the Director will be called to observe. A conference will be scheduled with the teacher and Director to meet with the parents and discuss the observations. It may be necessary to make modifications within the classroom environment, call in additional outside service, or make alternate provisions that best suit the child's needs. Early intervention programs during the preschool years are highly effective in making positive changes moving forward.

If at any time the health, safety or welfare of a special needs child or other children is at risk, that child will be dismissed from our program. If the teacher is unable to teach the other children in the class due to the needs of a particular child, then the child will be asked to leave the program.

Children with mild physical handicaps and/or developmental delays are enrolled at the discretion of the P.A.T.H. Executive Board and Director.

TUITION AND FEES

ADMISSION POLICY

Admission to P.A.T.H. is made without regard to race, color, creed, sex, or national origin.

ELIGIBILITY and SPACE AVAILABILITY

Ages 1 year to 4 years are accepted. A child must be of respective age for their class by September 1st of the current school year. Children can register during the school year provided there is space in their age group. A waiting list will be created if enrollment exceeds space. Children currently enrolled will have priority registration for the following year. Open registration for the community will follow. Registration starts in February for the next school year.

TUITION

| <u>Class</u> | <u># of days/week</u> | <u>Tuition/month</u> |
|-------------------|-----------------------|----------------------|
| Young 1 year olds | 1 day (F) | \$135 |
| 1 year olds | 2 days (M/W or T/Th) | \$215 |
| 2 year olds | 2 days (T/Th) | \$215 |
| 2 year olds | 3 days (M/W/F) | \$265 |
| 2 year olds | 5 days (M-F) | \$290 |
| 3 year olds | 3 day (M/W/F)/ (M-F) | \$265 |
| 3 year olds | 5 days (M-F) | \$290 |
| 4 year olds | 5 days (M-F) | \$290 |

Younger siblings receive a 10% discount off tuition.

REGISTRATION FEE

This is an annual non-refundable fee of \$100.00 due at the time of enrollment. There is sibling discount on the registration fee. Each additional child is assessed a fee of \$80.

ACTIVITY FEE

There is an annual fee of \$100.00. This is due with the September tuition. This fee covers a variety of activities throughout the school year, including egg hunt and pumpkin patch.

DUE DATE for TUITION/LATE POLICY

Tuition is due the 1st class day of each month. A **late fee will be charged on any payment made after the 10th of the month.** Late fees take effect in October. Late fees are equal to 10% of monthly tuition not to exceed \$15.00.

Make checks payable to Preschool at the Heights or P.A.T.H. Write the child's name in the "for" or "note" space on the check. Tuition checks may be mailed to school or left in the DROP BOX outside the director's office. If mailing your payment, allow ample time for your check to be received before the 10th of the month.

A fee will be charged on any returned checks. Cash payments must be handed personally to the director and a receipt obtained. Contact the director if a problem arises concerning tuition payments. Receipts for checks are given upon request.

INSURANCE – Preschool at the Heights is covered by liability insurance under University Heights United Methodist Church.

TAX IDENTIFICATION NUMBER IS AVAILABLE UPON REQUEST

A form with completed monthly payments is available for TAX PURPOSES. Requests should be given to the director a week in advance.

WITHDRAWAL

If for any reason you need to withdraw from the program, **a one (1) month's written notice is requested.** That month then becomes the final tuition. If notice is not given, an additional month's tuition is to be paid. There are no refunds on tuition if withdrawal occurs during the month of May. Exceptions cannot be made, regarding tuition, for absences. A signed agreement was made at the time of enrollment regarding withdrawal and tuition payments. See the director if that agreement needs reviewing.

SCHEDULE

Classes at P.A.T.H. for the 2018-2019 school year begins September 4th and ends Friday, May 17th, 2019. School hours are from 9:00 am to 12:00 noon. Once school begins, we follow the DeKalb county school system schedule regarding weather related school closings. However, the P.A.T.H. director and P.A.T.H. board have the right to change the calendar at any time.

Daily classroom schedules are posted outside each classroom door and inside the classroom.

The **SCHOOL CALENDAR** can be found on page in the back of the handbook and on the website. Please refer to the calendar for holidays and teacher workdays.

INCLEMENT WEATHER

In the event of unusual weather conditions (i.e. ice, snow), listen to the radio or television for emergency closings. P.A.T.H. will close anytime DeKalb county schools are closed. However, if the county does not close schools and you do not feel safe traveling to and from school, keep your child home. Safety should always come first. P.A.T.H. has the discretion to close if the need arises.

EVACUATION

A plan has been developed and evacuation routes are posted in each classroom near the doorway. In the event of a crisis situation the director will notify the classes. If for any reason it is necessary to evacuate the building and relocate the children and staff, all parents will be contacted by phone of the change in location. Parents on the premises must participate if the evacuation is necessary.

LOSS OF BUILDING UTILITIES

If there are building malfunctions including heat, lights, or water for an extended period of time, parents will be called to pick up the children. Should any supply (electrical, gas or water) be interrupted for more than one day, school will be closed until services are restored.

ARRIVAL AND DISMISSAL

SCHOOL BEGINS AT 9:00am

Please arrive no earlier than 8:55am. The teachers arrive early to prepare the days activities. Children should be accompanied to their classroom by a parent or guardian. No child should be allowed to enter the school unsupervised. Our day begins by 9:10 am. **It is important for you to be on time so your child may participate in all the activities.**

PICK UP IS AT 12:00 noon and should not be later than 12:10pm

If you are running late for any reason, please call the school so we may inform your child/teacher. Children may become anxious waiting for their caregiver. If running late becomes a habit, a late fee will be charged. The late fee is due the following class day.

We close the large GATE at the top of the driveway starting at 9:30am each day. This allows the classes to cross to the playground and back to the building safely. If you arrive at school after the gate is closed please use the second drive to enter the parking lot.

Preschool staff **will NOT open** the gate while children are on the playground.

Send Written Permission on any day that your child will not be going home in his/her usual way. Individuals allowed to pick your child up from school should be listed on their emergency form. Individuals unfamiliar to preschool staff will be asked to show a **Picture ID** before any child leaves in their care. When possible, a picture of individuals **NOT ALLOWED** to pick your child up from school should be given to the Director to place in the child's emergency file. We will not allow children to go home with any person not listed on their emergency form.

SUPPLIES

Supply lists are given to all families. It is, however, optional to bring in any of the requested items. Contribute only if you are able. Any supply items donated for use in the classroom are greatly appreciated.

Classroom Supply List - each classroom teacher has a list of individual class needs. Lists are sent home as the need arises.

School Supply List - a school wide supply list is given that includes items used school wide, such are paper towels, toilet paper, etc.

COMMUNICATIONS

THE PRESCHOOL BOARD

P.A.T.H. is governed by an Executive Board which is responsible for the overseeing the operation of the preschool. It is also the policy-making body of P.A.T.H. and is composed of preschool staff, preschool parents, and University Heights church members. The Executive Board, Preschool Director, Leadership Team and Church Staff work closely together to provide a quality educational outreach program for children of the church and the community.

GRIEVANCE POLICY

Sometimes misunderstandings involving operation or policy of P.A.T.H. may occur. Please do not let it go unresolved. The following procedures should be observed:

- 1) Make an appointment to talk directly with the classroom teacher about the concern.
- 2) If you are uncomfortable talking directly with the classroom teacher, take your concern to the Director who will handle the issue with the classroom teacher, either openly or anonymously at your request.
- 3) If you are uncomfortable talking directly with the classroom teacher and/or the Director, or if you have utilized these channels and feel your concern has not been properly addressed, you may then contact the Executive Board to express your concern. Concerns should be expressed in writing. Please be aware that based upon the nature of the concern, anonymity may not always be preserved.

We are all working to provide quality educational programs through quality staff for all the children. We welcome your observations and suggestions. Please realize that special needs may not always be addressed or met to your satisfaction. We do, however, strive to meet the needs of all the children.

PRESCHOOL TO PARENT COMMUNICATIONS

Our teachers make every effort to keep you informed of our child's activities through various forms of communications (some are listed below). We encourage close communication between parents and teachers. Please communicate with your child's teacher whenever you have a question on concern, comment or something to discuss. In addition, prior to school starting we have a Meet and Greet with all of the families, as part of our Parent Orientation to address any questions and/or concerns.

Daily Reports – Not all classrooms may choose to do this “daily” but rather in a weekly or monthly newsletter. If you feel a daily report is helpful please ask your child's teacher.

Daily Communication – Check your child's cubby daily for information, notes, and/or artwork.

Monthly Calendars – Every classroom sends home a calendar each month. Important information is listed on the calendars: snack rotation, weekly themes, special days, etc.

Parent/Teacher Conferences – An optional conference will be held in late January for each class. Another required conference will be offered in April as well. If situations arise where an additional conference time is necessary, please talk with the teacher and make an appointment.

Classroom Visits – Parental involvement is always welcomed in your child's room. Talk with you child's teacher if you would like to arrange a “special” visit/activity in the classroom. If you have any other questions regarding visits please talk with the Director.

Accident Reports – A copy of an accident report, or as we refer to it, an “Ouch Report,” will be sent home any time a child is hurt or injured at school. Parents will be notified immediately via phone if the accident is more than a minor bump or scratch.

Website – Please check our website for additional information – updates, forms, calendars, etc.

Licensing Exemption – P.A.T.H. is exempt from Bright From the Start state licensing. P.A.T.H. is not a licensed state program. P.A.T.H. is certified by the North Georgia United Methodist Conference.

PARENT-TEACHER-COMMUNITY-ASSOCIATION (PTCA)

The PTCA has been established for the purpose of supporting the preschool through various family activities, fundraisers, and volunteer services. The PTCA has a board that is comprised of preschool parents who meet on a monthly basis during the school year. The goals of the PTCA are, to strengthen lines of communication between parents, teachers, community, and church and to help expand and enhance school programs and facilities.

IDEAS FOR MAKING THE SCHOOL DAY GREAT

- ❖ Whenever possible, see that your child gets enough sleep every night.
- ❖ Arrive at school on time. **The first 20 minutes** of the morning sets the tone for the day and are important for both the children and teacher.
- ❖ Give your child something healthy to eat in the morning. Children should eat breakfast before arriving at school.
- ❖ Please keep your child at home if he/she is not feeling well.
- ❖ Weather permitting, outside play is a part of the daily schedule. Please send your child in comfortable, seasonally appropriate play clothes and closed toed shoes. If a child is not well enough to go outside they are not well enough to be at school.
- ❖ Look forward to each day with your child and help him/her come to school in happy frame of mind. Express faith in your child's ability to handle new situations. Talk positively about school.
- ❖ Be a good listener. Show interest in your child's school activities.

PLEASE NOTIFY THE SCHOOL IF ANY OF THE FOLLOWING TAKE PLACE:

- ❖ You have a change of address, phone number, or emergency contacts.
- ❖ The persons allowed to pick-up your child from school changes.
- ❖ Any contagious disease has been contracted by the school child or any family member.
- ❖ There are any special/stressful/unusual circumstances at home that might affect your child at school.
- ❖ You have comments/questions/concerns regarding your child's day.

TOILET TRAINING

Please notify the child's teachers when toilet training has begun. During this phase the child should come to school in clothes that allow for ease in the process. Elastic waistbands are much easier than buttons and belts. This is not only a stage of learning but also a stage of independence. Please help your child feel confident in their learning by dressing them appropriately. Also, please bring a change of clothes in case of emergency. We like to encourage children to be nearly or completely toilet trained before they start the three year old class room.

No child is to be left unattended while being diapered or having their clothes changed on a diapering surface.

PLAYGROUND CLEANING AND INSECT SPRAY

All outdoor equipment is cleaned and disinfected once a year. The perimeter of the playground is sprayed for insects. Application is not done during the times the children are in school.

CLEANING OF TOYS

Toys are routinely washed and cleaned. If necessary, some toys are washed daily and others are taken home by staff members for more thorough cleaning.

DISCIPLINE

The staff of P.A.T.H. strives to offer a safe and loving environment for every child in our care. Discipline is a learning process, not a punishment imposed on a child. Positive reinforcement is used to encourage good behavior. Consequences for inappropriate behavior are adjusted according to the age level and personality of the child.

At no time will any form of corporal punishment be used.

BITING, SCRATCHING OR INFLECTING INJURY TO OTHERS

Preschool children sometimes bite or scratch out of anger, frustration or because they lack the verbal skills necessary to communicate how they feel. Although this behavior is not unusual, it is not considered acceptable behavior at school and is not tolerated. If your child bites, scratches or hurts another child you will receive a note and a phone call from either the teacher or the Director. The child will be talked to about “using their words” and other ways they can communicate a problem. It will be explained that he/she is not allowed to hurt others at school. If a second incident occurs, parents will be called to pick up the child from school and keep them home the following day. Parents of the injured child will also be notified of the incident. After three biting incidences, a child who persists in biting will need to take a break from our program.

We want every child to have a fun and safe experience at school and not feel threatened by other children.

BEHAVIOR MANAGEMENT

At P.A.T.H., children are constantly engaged and involved in activities that interest them. Therefore, negative behavior is seldom an issue. Positive behavior is encouraged through several strategies. They are as follows:

1. Redirection and Substitution: channel the child’s attention elsewhere and offer something else to do when applicable.
2. Modeling and Problem Solving: show examples of expected behavior and offer suggestions.
3. Logical Consequences: match the consequence to the behavior being corrected.
4. Time Out: time alone helps get feelings under control.
5. Office visit: if negative behavior continues, a visit with the Director and parent notification may be necessary.

We will also be happy to help the family set up a behavior modification plan that works together with school and home.

REPORTING CHILD ABUSE AND NEGLECT

Our school is legally bound by Georgia Public Law 102-294 to report any signs of child abuse and/or neglect. All cases of abuse or suspected abuse should be reported immediately to the Director, who will report to the Department of Family and Children Services in accordance with the Official Code of Georgia.

This law defines four areas of child abuse and neglect as: 1) physical or mental injury, 2) sexual abuse or exploitation, 3) negligent treatment, 4) maltreatment

HEALTH

IMMUNIZATIONS

It is required that an immunization certificate be on file for your child. Ask your child's doctor for a current immunization record (Form 3231). This form should include the following: child's name, date of birth, expiration date and the doctor's signature. Also, Pre-K children are required to have form #3300, Eye, Ear, and Dental. Records may be hand delivered to school, mailed to the Director, or faxed to 404-633-2471.

CLEAN HANDS ZONE

P.A.T.H. is "clean hands zone." To help keep the children and staff healthy, we ask that everyone clean their hands when entering the building. Hand wash is provided in the classrooms as you enter. This will cut down on the spread of germs. Thank you for your cooperation!

TO STAY HOME OR NOT TO STAY HOME?

A child's health must allow him/her to participate fully in all group activities, including outside play.

Please keep your child home from school if he/she is sick. We make every effort possible to protect your child's health and safety. We ask, for your child's protection and the sake of other children, that your child stay home from school if they show any signs of illness. Some signs, but not all, are: Fever of 100.3 or more, green or yellow discharge from ears or eyes, flushed face, nausea/vomiting/diarrhea, inflamed/red eyes, undiagnosed rash, earache, skin rash, enlarged glands, sore throat, non-clear/thick runny nose, on-going or deep chest cough, head lice, or chicken pox.

A child must be free of illness and fever for 24 or more hours before returning to school. We also ask that all communicable illness be reported to the school ASAP, including lice. Your 24 hours free begins from the last time a child has had a fever/vomiting/diarrhea, etc.

ILLNESS AT SCHOOL

Parents/Guardians will be notified and asked to pick up the child if any of the above symptoms appear during the school day. Teachers (with director's approval) may refuse to accept children who exhibit any of the above symptoms into their classroom for the day.

Please notify the school as quickly as possible if a child contracts or has been exposed to any communicable disease. The risk of contracting an infectious disease in any school community exists, and we must guard against the health and safety threat to our school community. Communicable diseases include, but are not limited to the following: measles, chicken pox, mumps and strep throat. If there is any question concerning your child's health and participation in school, please consult the Director before allowing your child to attend class.

ALLERGIES

Please notify us in writing if your child has an allergy of any kind. Explain the allergy and reactions thoroughly. Also, please let us know if there are specific foods your child cannot eat.

Epi-Pen: If your child has a severe allergy requiring an epi-pen, you must advise the school in writing of your child's symptoms and detailed instructions for administering any medication. The staff does not administer medication unless there is a life-threatening situation, and only if there is written parental permission and explicit instructions. Parents will be contacted immediately if treatment is needed.

MINOR INJURIES

Injuries such as skinned knees, bumps, or scrapes will be treated at school with soap/water, ice and TLC. The area will be bandaged, if necessary. An "ouch report" will also be sent home.

CLOTHING AND PERSONAL ITEMS

Please dress your child ready for play! Children should wear comfortable, seasonally appropriate, and practical play clothes and shoes. Outside play is a part of each day, weather permitting. Even if the weather is cold, we go outside! Therefore, send your child to school with warm removable outerwear during cold months. Please include hats, gloves, or mittens. **Children should wear closed-toe shoes.** It is preferred that children not wear open-toe sandals, cowboy boots, or other foot wear that would hinder their outdoor activities.

Clothing should also be suitable for classroom art time which takes place daily. Washable paints, markers and crayons are used along with smocks. However, it is best if children are dressed appropriately.

See the Director if there are questions regarding clothing.

LABEL, LABEL, LABEL!

All removable items (jackets, hats, sweaters, etc.) should be labeled. Also, label any other personal items the child may use in the class (cups, bags, etc). This is to ensure all items worn and brought to school also return home.

LOST AND FOUND

If items do not make it home, you can check the Lost and Found basket in the preschool office for any unlabeled, unclaimed items. Any items left in the Lost and Found basket after school as ended in May will be donated to Goodwill.

DIAPERS

Please label diapers and pull-ups with a permanent marker or pen.

EXTRA CLOTHING

In case of emergency, an extra change of clothes is helpful. Please send an extra change of clothes with your child each day. Please make sure that the change of clothing is seasonally appropriate. Include a complete outfit change, socks, and underpants. Some teachers keep the clothes in a labeled zippered bag in the classroom. Check with your child's teacher on the way extra clothes are handled in your child's classroom.

TOYS, BOOKS, AND JEWELRY

Unless something is requested by the teacher for other reasons such as "show and tell", we ask that all personal toys, books, and jewelry stay home or in your car. We understand that some children may need something to transition from home to school, however, please talk with your child about keeping these items in the car before entering the school building. Personal toys brought to school from home can cause problems in the classroom. For safety reasons, we ask that no jewelry items be worn around the child's neck.

Thank you for your cooperation and understanding. If questions or concerns arise regarding this matter, please speak with the teacher or Director.

PRESCHOOL AT THE HEIGHTS 2018-2019 CALENDAR

P.A.T.H. follows the DeKalb County Schools protocol for weather related school closings.
